

The World's Most Trusted Pool Finishes™

Pebble 
Technology®
INTERNATIONAL

A reputation for excellence, integrity and support

Since 1987, Pebble Technology International® (PTI) has been a driving force in the transformation of the pool building and remodeling industry. PTI maintains its leading position with an unwavering reputation for high quality products, outstanding customer support and dedicated sales and technical teams. With over 25 years of history, it is no surprise that the brand is recognized by so many.

With our expansive color selection, offered in 4 distinctive textures, our finishes allow you to achieve a wide range of water color tones. Further customize your finish by adding one of our many pool finish enhancements or incorporate unique glass tiles from our Finishing Touches® Tile Collection.

With Pebble Technology products, you can truly create a beautiful outdoor environment.

Technology®
INTERNATIONAL

PebbleTec®

The Original

The ORIGINAL aggregate pool finish that delivers enduring elegance and durability. It is a perfect choice for those desiring a more natural environment for their pool or spa.

- An earthy textured finish comprised of the largest pebbles in our product offering
- Offers a durable, non-slip and stain-resistant surface
- For dazzling brilliance, add Shimmering Sea or Luminous to any PebbleTec® pool finish
- Certain colors incorporate Shimmering Sea  for added elegance

PebbleFina®

Enduring Smooth Finish

Made from our smallest natural pebbles, PebbleFina® delivers the smoothest aggregate finish available. This exclusive product line is enriched with additives that provide superior strength and long-lasting durability over a traditional pool finish.

- Offers the smoothest texture in our product offering
- Our unique technology provides increased density and resistance to etching caused by fluctuations in water chemistry
- Certain colors incorporate Shimmering Sea  and Stardust  for added elegance and sparkle

 **Stardust™**
Reflective Pool Finish Additive

A unique blend of nature's most brilliant minerals that sparkle and produce a reflective mirrored effect on the water's surface.

PebbleSheen®

Refined Textured Finish

Our most popular pool finish offering the same natural beauty and inherent qualities as the original PebbleTec pool finish with a more refined texture.

- Utilizes slightly smaller pebbles than those found in PebbleTec
- Offers a durable, non-slip and stain-resistant surface
- For dazzling brilliance, add Shimmering Sea or Luminous to any PebbleSheen® pool finish
- Certain colors incorporate Shimmering Sea 🐚 for added elegance

BeadCrete®

Brilliant Glass Finish

An elegant glass bead pool finish that offers a three-dimensional reflective effect. Its exquisite brilliance creates a crystal-like appearance in the water with superior water clarity.

- Comprised of smooth glass beads
- Offers a luxurious texture with an exceptional stain-resistant surface

Pool Finish Enhancements

Photo: PebbleSheen, Desert Gold

Luminous™ Iridescent Glass Blend

A colorful and iridescent glass bead blend that when combined with a natural pool finish offers a glistening effect in the water. This unique enhancement is offered in three alluring blends; Blue, Emerald and Jade.

Blue Blend

Emerald Blend

Jade Blend

Shown in PebbleSheen White Diamonds

IronPyrite

Bronzed Metallic Nuggets

A popular mineral with a bronzed metallic luster that mimics gold. When placed in a PebbleTec or PebbleSheen pool finish, these little treasures shine beautifully in the sun.

Shown in PebbleTec Black Marble

ShimmeringSea™ Sparkling Sea Shell Blend

An organic combination of cultivated abalone and mother of pearl shells that offers a subtle spectrum of color on the water's surface. Shimmering Sea is included in many of the PebbleFina finishes. It can also be added to any PebbleTec or PebbleSheen pool finish.
